

UUSA Advisory Board Agenda October 6, 2010

Welcome

- Review of UU and SA Missions

University Unions Vision Statement

Virginia Tech's University Unions will become a model Union program by creating safe, welcoming, state-of-the-art facilities for the VT community; and providing programs and services to enhance the holistic development of students, specifically focusing on leadership and citizenship development.

University Unions & Student Activities Mission Statement

University Unions & Student Activities, the center of Hokie Community, creates welcoming environments for students and others that, through involvement, foster excellence in learning, service, and community.

UUSA provides programs, services, and events that complement the mission of the University and Division of Student Affairs.

University Unions & Student Activities achieves this by:

- Fostering an appreciation for diversity
 - Encouraging the advancement of life-long learning
 - Enhancing personal growth and organizational development
 - Developing productive citizens
 - Promoting leadership development
 - Celebrating and supporting the Principles of Community.
